E - GOVERNANCE REPORT 2021 - 22 & 2022 - 23

Sandipani Academy, Pendri (Masturi), Bilaspur (C.G.) appreciates the fact that, e-governance means governance with information technology and that the increasing demand for transparency in administration faster information transfer and other demands can be fully filled by e-governance.

The college is implementing e-governance to enhance good governance which is generally characterized by participation transparency and accountability to provide better service in terms of time making governance more efficient, and more effective, to lower the transaction costs and make services more accessible.

Many initiatives have been taken by the college towards E-governance some of which in the area of general administration are:

1. Communication with Atal Bihari Vajpayee University Bilaspur (C.G.) members of Governing Body and Academic council, through E-mail and text messaging service.
2. All importance notices to students, staff on administration matters are published on college website, and messaged through whatsapp groups.
3. Biometric attendance for staff.
4. Free Wi-Fi facility in the campus.
5. Use of following platform:
6. Google Form: for data collection from departments/Alumni's.
7. College is equipped with CCTV cameras at strategic points.
8. Whatsapp groups are used for connecting with and eliciting information for faculty and staff.

In the areas of operations involving more complex systems, and procedures, sophisticated software tools are used. The details of specific area of e-governance using software tools are as follows:

ATTENDANCE BY USING BIOMETRIC MACHINE

Using a biometric attendance system eliminates the need for manual time keeping. This saves employee time, reduces staffing costs and gives the payroll department an accurate picture of labor data. This helps in the effective management of overall institutions operations and increases productivity.
