**About The College**  
 Sandipani College of Education is managed by Sandipani Academy, registered under Chhattisgarh Society Registration act. It is situated at Pendri (Masturi) Bilaspur. To gradually evolve as a thriving research and development centre for the teacher education and school education in the state and to offer such innovative teacher education programme that create the potential to produce high-quality educational personnel in future for the School System. To promote learning that stimulates learners to reach their full potential throughout their life and create, empowered, committed, compassionate and skilful healthcare providers who make a difference in building a healthy family, community and nation.

**About the Conference**  
 E-Learning is an emerging methodology of modern education. It offers a highly flexible and convenient education platform that can be easily adopted and implemented for education programs, from primary school to university education. E-Learning, or electronic learning, is the delivery of learning and training through digital resources. Although eLearning is based on formalized learning, it is provided through electronic devices such as computers, tablets and even cellular phones that are connected to the internet. This makes it easy for users to learn anytime, anywhere, with few, if any, restrictions. Basically, eLearning is training, learning, education delivered online through any other digital device.

**Objective of the Conference**

1. Enhance the quality of learning and teaching.
2. Meet the learning style or needs of students.
3. Improve the efficiency and effectiveness.
4. Improve user-accessibility and time flexibility to engage learners in the learning process.
